Parent Issues and Concerns Policy and Procedures

Date Policy and Procedures Established: August 2017

Date Policy and Procedures Updated: June 7, 2021

Purpose

The purpose of this policy is to provide a transparent process for parents/guardians, the child care licensee and staff to use when parents/guardians bring forward issues/concerns at Aurora Children's Centre and Cardinal Carter Childcare Centre (herein after referred to as "ACC/CC" or the "Centre").

Policy

General

Parents/guardians are encouraged to take an active role in the Centre and regularly discuss what their child(ren) are experiencing with our staff. As supported by our program statement, we support positive and responsive interactions among the children, parents/guardians, and staff, and foster the engagement of and ongoing communication with parents/guardians about the program and their children. Our staff are available to engage parents/guardians in conversations and support a positive experience during every interaction.

All issues and concerns raised by parents/guardians are taken seriously by ACC/CC and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties and as quickly as possible.

Issues/concerns may be brought forward verbally or in writing. Responses and outcomes will be provided verbally, or in writing upon request. The level of detail provided to the parent/guardian will respect and maintain the confidentiality of all parties involved.

An initial response to an issue or concern will be provided to parents/guardians within two (2) to three (3) business day(s). The person who raised the issue/concern will be kept informed throughout the resolution process.

Investigations of issues and concerns will be fair, impartial and respectful to parties involved.

Confidentiality

Every issue and concern will be treated confidentially and every effort will be made to protect the privacy of parents/guardians, children, child care staff, students and volunteers, except when information must be disclosed for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society).

To respect the privacy of all parties', it is important that issues and concerns be dealt with in a professional and respectful manner amongst those involved, and not discussed on Social Media.

Conduct

Our Centre maintains high standards for positive interaction, communication and role-modeling for children. Harassment and discrimination will therefore not be tolerated from any party.

If at any point a parent/guardian, and/or staff feels uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the Supervisor or Designate.

Concerns about the Suspected Abuse or Neglect of a child

Everyone, including members of the public and professionals who work closely with children, is required by law to report suspected cases of child abuse or neglect.

If a parent/guardian expresses concerns that a child is being abused or neglected, the parent will be advised to contact the [local Children's Aid Society](#) (CAS) directly.

Persons who become aware of such concerns are also responsible for reporting this information to CAS as per the "Duty to Report" requirement under the *Child and Family Services Act*.
